Chapter 80.80 RCW

GREENHOUSE GAS EMISSIONS—BASELOAD ELECTRIC GENERATION PERFORMANCE STANDARD

Sections

80.80.005 80.80.010 80.80.030	Findings—Intent. Definitions. Achieving greenhouse gases emissions reduction goals— Submission of policy recommendations to legislature by
80.80.040	governor. Greenhouse gas emissions performance standards—Rules— Sequestration.
80.80.050	Public comment—Commercially available turbines—Rate of greenhouse gas emissions—Reports—Rules.
80.80.060	Electrical companies—Baseload electric generation—Long- term financial commitments—Rules.
80.80.070	Consumer-owned utilities—Baseload electric generation— Long-term financial commitments.
80.80.080	Greenhouse gas emissions performance standards—Review—Report.
80.80.100	Memorandum of agreement with owners of a coal-fired baseload facility—Required provisions.
80.80.110	Limitation on adopting or imposing a greenhouse gas emission performance standard on certain facilities.
80.80.120	Memorandum of agreement—Authorized provisions.
