

RCW 10.66.010 Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter:

(1) "Applicant" means any person who owns, occupies, or has a substantial interest in property, or who is a neighbor to property which is adversely affected by drug trafficking, including:

(a) A "family or household member" or "intimate partner" as defined in RCW 7.105.010, who has a possessory interest in a residence as an owner or tenant, at least as great as a known drug trafficker's interest;

(b) An owner or lessor;

(c) An owner, tenant, or resident who lives or works in a designated PADT area; or

(d) A city or prosecuting attorney for any jurisdiction in this state where drug trafficking is occurring.

(2) "Drug" or "drugs" means a controlled substance as defined in chapter 69.50 RCW or an "imitation controlled substance" as defined in RCW 69.52.020.

(3) "Known drug trafficker" means any person who has been convicted of a drug offense in this state, another state, or federal court who subsequently has been arrested for a drug offense in this state. For purposes of this definition, "drug offense" means a felony violation of chapter 69.50 or 69.52 RCW or equivalent law in another jurisdiction that involves the manufacture, distribution, or possession with intent to manufacture or distribute of a controlled substance or imitation controlled substance.

(4) "Off-limits orders" means an order issued by a superior or district court in the state of Washington that enjoins known drug traffickers from entering or remaining in a designated PADT area.

(5) "Protected against drug trafficking area" or "PADT area" means any specifically described area, public or private, contained in an off-limits order. The perimeters of a PADT area shall be defined using street names and numbers and shall include all real property contained therein, where drug sales, possession of drugs, pedestrian or vehicular traffic attendant to drug activity, or other activity associated with drug offenses confirms a pattern associated with drug trafficking. The area may include the full width of streets, alleys and sidewalks on the perimeter, common areas, planting strips, or parks and parking areas within the area described using the streets as boundaries.
