

RCW 18.83A.110 Coordinated licensure information system—

Reporting information. (1) The commission must provide for the development and maintenance of a coordinated licensure information system and reporting system containing licensure and disciplinary action information on all psychologists to whom the psychology interjurisdictional compact is applicable in all compact states as defined by rules of the commission.

(2) A compact state must submit a uniform data set to the coordinated licensure information system on all licensees as required by the rules of the commission, including:

- (a) Identifying information;
- (b) Licensure data;
- (c) Significant investigatory information;
- (d) Adverse actions against a psychologist's license;
- (e) An indicator that a psychologist's authority to practice interjurisdictional telepsychology or temporary authorization to practice is revoked;
- (f) Nonconfidential information related to alternative program participation information;
- (g) Any denial of application for licensure, and the reasons for such denial; and
- (h) Other information which may facilitate the administration of the psychology interjurisdictional compact, as determined by the rules of the commission.

(3) The coordinated database administrator must promptly notify all compact states of any adverse action taken against, or significant investigative information on, any licensee in a compact state.

(4) Compact states reporting information to the coordinated database may designate information that may not be shared with the public without the express permission of the compact state reporting the information.

(5) Any information submitted to the coordinated database that is subsequently required to be expunged by the law of the compact state reporting the information must be removed from the coordinated database. [2022 c 5 § 10.]
