

**RCW 19.112.160 Governor's authority to suspend certain minimum renewable fuel content requirements.** The governor, by executive order, may suspend all or portions of the minimum renewable fuel content requirements in RCW 19.112.110 or 19.112.120, or 43.19.642, based on a determination that such requirements are temporarily technically or economically infeasible, or pose a significant risk to public safety. [2006 c 338 § 11.]

**Findings—Intent—2006 c 338:** See note following RCW 19.112.110.
