

**RCW 24.36.100 Stock associations—Statement in articles.** If the association is organized with shares of stock, the articles shall state the number of shares which may be issued and if the shares are to have a par value, the par value of each share, and the aggregate par value of all shares; and if the shares are to be without par value it shall be so stated. [1959 c 312 § 10.]
