

RCW 36.28A.030 Hate crime offenses—Information reporting and dissemination. (1) The Washington association of sheriffs and police chiefs shall establish and maintain a central repository for the collection and classification of information regarding violations of RCW 9A.36.080. Upon establishing such a repository, the association shall develop a procedure to monitor, record, and classify information relating to violations of RCW 9A.36.080 and any other crimes of bigotry or bias apparently directed against other persons because the people committing the crimes perceived that their victims were of a particular race, color, religion, ancestry, national origin, gender, sexual orientation, had a particular gender expression or identity, or had a mental, physical, or sensory disability.

(2) All local law enforcement agencies shall report monthly to the association concerning all violations of RCW 9A.36.080 and any other crimes of bigotry or bias in such form and in such manner as prescribed by rules adopted by the association. Agency participation in the association's reporting programs, with regard to the specific data requirements associated with violations of RCW 9A.36.080 and any other crimes of bigotry or bias, shall be deemed to meet agency reporting requirements. The association must summarize the information received and file an annual report with the governor and the senate law and justice committee and the house of representatives judiciary committee.

(3) The association shall disseminate the information according to the provisions of chapters 10.97 and 10.98 RCW, and all other confidentiality requirements imposed by federal or Washington law. [2019 c 271 § 9; 1993 c 127 § 4.]
