

RCW 48.36A.140 Consolidation and merger. (1) A domestic society may consolidate or merge with any other society by complying with the provisions of this section. It shall file with the commissioner:

(a) A certified copy of the written contract containing in full the terms and conditions of the consolidation or merger;

(b) A sworn statement by the president and secretary or corresponding officers of each society showing their financial condition on a date fixed by the commissioner but not earlier than December 31st next preceding the date of the contract;

(c) A certificate of the officers, duly verified by their respective oaths, that the consolidation or merger has been approved by a two-thirds vote of the supreme governing body of each society, such vote being conducted at a regular or special meeting of each such body, or, if the society's laws so permit, by mail; and

(d) Evidence that at least sixty days prior to the action of the supreme governing body of each society, the text of the contract has been furnished to all members of each society either by mail or by publication in full in the official publication of each society.

(2) If the commissioner finds that the contract is in conformity with the provisions of this section, that the financial statements are correct, and that the consolidation or merger is just and equitable to the members of each society, the commissioner shall approve the contract and issue a certificate to that effect. Upon approval, the contract shall be in full force and effect unless any society which is a party to the contract is incorporated under the laws of any other state or territory. In such event, the consolidation or merger shall not become effective unless and until it has been approved as provided by the laws of such state or territory and a certificate of such approval is filed with the commissioner of this state or, if the laws of the state or territory contain no such provision, then the consolidation or merger shall not become effective unless and until it has been approved by the commissioner of insurance of the state or territory and a certificate of such approval is filed with the commissioner of this state.

(3) Upon the consolidation or merger becoming effective, all the rights, franchises, and interests of the consolidated or merged societies in and to every species of property, real, personal, or mixed, and things in action thereunto belonging shall be vested in the society resulting from or remaining after the consolidation or merger without any other instrument, except that conveyances of real property may be evidenced by proper deeds, and the title to any real estate or interest therein, vested under the laws of this state in any of the societies consolidated or merged, shall not revert or be in any way impaired by reason of the consolidation or merger, but shall vest absolutely in the society resulting from or remaining after the consolidation or merger.

(4) The affidavit of any officer of the society or of anyone authorized by it to mail any notice or document, stating that the notice or document has been duly addressed and mailed, shall be prima facie evidence that the notice or document has been furnished to the addressees. [1987 c 366 § 14.]
