

**RCW 48.44.305 When injury caused by intoxication or use of narcotics.** A health care service contractor may not deny coverage for the treatment of an injury solely because the injury was sustained as a consequence of the enrolled participant's being intoxicated or under the influence of a narcotic. [2004 c 112 § 4.]

**Finding—Application—2004 c 112:** See notes following RCW 48.20.385.
