

RCW 48.92.030 Requirements for chartering. (1) A risk retention group seeking to be chartered in this state must be chartered and licensed as a liability insurance company authorized by the insurance laws of this state and, except as provided elsewhere in this chapter, must comply with all of the laws, rules, regulations, and requirements applicable to the insurers chartered and licensed in this state and with RCW 48.92.040 to the extent the requirements are not a limitation on laws, rules, regulations, or requirements of this state.

(2) A risk retention group chartered in this state shall file with the department and the National Association of Insurance Commissioners an annual statement in a form prescribed by the National Association of Insurance Commissioners, and in electronic form if required by the commissioner, and completed in accordance with its instructions and the National Association of Insurance Commissioners accounting practices and procedures manual.

(3) Before it may offer insurance in any state, each domestic risk retention group shall also submit for approval to the insurance commissioner of this state a plan of operation or a feasibility study. The risk retention group shall submit an appropriate revision in the event of a subsequent material change in an item of the plan of operation or feasibility study, within ten days of the change. The group may not offer any additional kinds of liability insurance, in this state or in any other state, until a revision of the plan or study is approved by the commissioner.

(4) At the time of filing its application for charter, the risk retention group shall provide to the commissioner in summary form the following information: The identity of the initial members of the group; the identify of those individuals who organized the group or who will provide administrative services or otherwise influence or control the activities of the group; the amount and nature of the initial capitalization; the coverages to be afforded; and the states in which the group intends to operate. Upon receipt of this information, the commissioner shall forward the information to the National Association of Insurance Commissioners. Providing notification to the National Association of Insurance Commissioners is in addition to and is not sufficient to satisfy the requirements of RCW 48.92.040 or this chapter.
