

**RCW 54.52.010 Voluntary contributions to assist low-income residential customers—Administration.** (1) A public utility district may include along with, or as part of, its regular customer billings a request for voluntary contributions to assist qualified low-income residential customers of the district in paying their electricity bills. All funds received by the district in response to such requests shall be (a) transmitted (i) to the grantee of the department of commerce which administers federally funded energy assistance programs for the state in the district's service area or (ii) to a charitable organization within the district's service area; or (b) retained by the district. All such funds shall be used solely to supplement assistance to low-income residential customers of the district in paying their electricity bills. The grantee, charitable organization, or district is responsible to determine which of the district's customers are qualified for low-income assistance and the amount of assistance to be provided to those who are qualified.

(2) A public utility district may include with or as part of its regular customer billings, a request for voluntary contributions to assist qualified low-income residential customers of the district in paying their water and sewer bills. All funds received by the district as a result of these requests shall be transmitted to a charitable organization within the district's service area or retained by the district and distributed solely to assist qualified low-income residential customers in paying their water and sewer bills. The charitable organization or district is responsible for determining which of the district's customers are qualified to receive low-income assistance and the amount of assistance provided to qualified customers.
