

**RCW 59.20.130 Duties of landlord.** It shall be the duty of the landlord to:

(1) Comply with codes, statutes, ordinances, and administrative rules applicable to the mobile home park;

(2) Maintain the common premises and prevent the accumulation of stagnant water and to prevent the detrimental effects of moving water when such condition is not the fault of the tenant;

(3) Keep any shared or common premises reasonably clean, sanitary, and safe from defects to reduce the hazards of fire or accident;

(4) Keep all common premises of the mobile home park, and vacant mobile home lots, not in the possession of tenants, free of weeds or plant growth noxious and detrimental to the health of the tenants and free from potentially injurious or unsightly objects and condition;

(5) Exterminate or make a reasonable effort to exterminate rodents, vermin, or other pests dangerous to the health and safety of the tenant whenever infestation exists on the common premises or whenever infestation occurs in the interior of a mobile home, manufactured home, or park model as a result of infestation existing on the common premises;

(6) Maintain and protect all utilities provided to the mobile home, manufactured home, or park model in good working condition. (7) Respect the privacy of the tenants and shall have no right of entry to a mobile home, manufactured home, or park model without the prior written consent of the occupant, except in case of emergency or when the occupant has abandoned the mobile home, manufactured home, or park model. Such consent may be revoked in writing by the occupant at any time. The ownership or management shall have a right of entry upon the land upon which a mobile home, manufactured home, or park model is situated for maintenance of utilities, to insure [ensure] compliance with applicable codes, statutes, ordinances, administrative rules, and the rental agreement and the rules of the park, and protection of the mobile home park at any reasonable time or in an emergency, but not in a manner or at a time which would interfere with the occupant's quiet enjoyment. The ownership or management shall make a reasonable effort to notify the tenant of their intention of entry upon the land which a mobile home, manufactured home, or park model is located prior to entry;

(8) Allow tenants freedom of choice in the purchase of goods and services, and not unreasonably restrict access to the mobile home park for such purposes;

(9) Maintain roads within the mobile home park in good condition; and

(10) Notify each tenant within five days after a petition has been filed by the landlord for a change in the zoning of the land where the mobile home park is located and make a description of the change available to the tenant.

A landlord shall not have a duty to repair a defective condition under this section, nor shall any defense or remedy be available to the tenant under this chapter, if the defective condition complained of was caused by the conduct of the tenant, the tenant's family, invitee, or other person acting under the tenant's control, or if a tenant unreasonably fails to allow the landlord access to the property
