

**RCW 59.21.005 Declaration—Purpose.** The legislature recognizes that it is quite costly for tenants who own homes in manufactured/mobile home parks to relocate when the park in which they reside is closed or converted to another use. Many such tenants need financial assistance in order to relocate from a manufactured/mobile home park. The purpose of this chapter is to provide a mechanism for assisting manufactured/mobile home tenants to relocate their manufactured/mobile homes to suitable alternative sites or demolish and dispose of their homes and secure alternative housing of their choice. [2021 c 28 § 1; 2019 c 390 § 1; 1995 c 122 § 2; 1991 c 327 § 8.]

**Finding—Intent—2019 c 390:** "The legislature finds that manufactured housing communities provide significant opportunity for affordable housing, but at the same time, vacancy rates in established communities are very low. Siting a replacement manufactured home on a manufactured housing community lot is basic to a landlord's right to continue in business and to provide opportunity for housing that is needed. Imposing undue burdens and new restrictions for the siting of replacement manufactured homes may deem lots unusable as home sites thus, exacerbating the low vacancy rates and reducing affordable housing opportunities. The legislature intends to provide protection for manufactured housing communities by not prohibiting the siting of a manufactured/mobile home on an existing lot based solely on lack of compliance with the existing separation and setback requirements that regulate distance between such homes." [2019 c 390 § 13.]
