

RCW 70.44.015 Validation of existing districts. Each and all of the respective areas of land heretofore attempted to be organized into public hospital districts under the provisions of this chapter are validated and declared to be duly existing hospital districts having the respective boundaries set forth in their organization proceedings as shown by the files in the office of the board of county commissioners of the county in question, and by the files of such districts. [1955 c 135 § 2.]
