

RCW 70.74.360 Licenses—Fingerprint and criminal record checks—

Fee—Licenses prohibited for certain persons—License fees. (1) The director of labor and industries shall require, as a condition precedent to the original issuance and upon renewal every three years thereafter of any explosive license, fingerprinting and criminal history record information checks of every applicant. In the case of a corporation, fingerprinting and criminal history record information checks shall be required for the management officials directly responsible for the operations where explosives are used if such persons have not previously had their fingerprints recorded with the department of labor and industries. In the case of a partnership, fingerprinting and criminal history record information checks shall be required of all general partners. Such fingerprints as are required by the department of labor and industries shall be submitted on forms provided by the department to the identification section of the Washington state patrol and to the identification division of the federal bureau of investigation in order that these agencies may search their records for prior convictions of the individuals fingerprinted. The Washington state patrol shall provide to the director of labor and industries such criminal record information as the director may request. The applicant shall give full cooperation to the department of labor and industries and shall assist the department of labor and industries in all aspects of the fingerprinting and criminal history record information check. The applicant shall be required to pay the current federal and state fee for fingerprint-based criminal history background checks.

(2) The director of labor and industries shall not issue a license to manufacture, purchase, store, use, or deal with explosives to:

However, the director of labor and industries may issue a license if the person suffering a drug or alcohol related dependency is participating in or has completed an alcohol or drug recovery program acceptable to the department of labor and industries and has established control of their alcohol or drug dependency. The director of labor and industries shall require the applicant to provide proof of such participation and control; or
- (d) Any person who has previously been adjudged to be mentally ill or insane, or to be incompetent due to any mental disability or disease and who has not at the time of application been restored to competency.
