- (2) Minimum standards established by the department under RCW 70.123.030 shall ensure that emergency shelter programs receiving grants under this chapter provide services meeting basic survival needs, where not provided by other means, such as, but not limited to, food, clothing, housing, emergency transportation, child care assistance, safety assessment and planning, and security. Emergency shelters receiving grants under this chapter shall also provide client-centered advocacy and services designed to enhance client autonomy, client confidentiality, and immediate and longer term safety. These services shall be problem-oriented and designed to provide necessary assistance to the victims of domestic violence and their children.
- (3) In establishing minimum standards for programs providing culturally relevant prevention efforts and culturally appropriate services, priority for funding must be given to agencies or organizations that have a demonstrated history and expertise of serving domestic violence victims from the relevant populations that have traditionally been underserved or unserved.
- (4) In establishing minimum standards for age appropriate prevention and intervention services for children who have been exposed to domestic violence, or youth who have been victims of dating violence, priority for funding must be given to programs with a documented history of effective work in providing advocacy and services to victims of domestic violence or dating violence, or an agency with a demonstrated history of effective work with children and youth partnered with a domestic violence program.
