

RCW 77.12.020 Wildlife to be classified. (1) The director shall investigate the habits and distribution of the various species of wildlife native to or adaptable to the habitats of the state. The commission shall determine whether a species should be managed by the department and, if so, classify it under this section.

(2) The commission may classify by rule wild animals as game animals and game animals as fur-bearing animals.

(3) The commission may classify by rule wild birds as game birds or predatory birds. All wild birds not otherwise classified are protected wildlife.

(4) In addition to those species listed in RCW 77.08.020, the commission may classify by rule as game fish other species of the class Osteichthyes that are commonly found in fresh water except those classified as food fish by the director.

(5) The director may recommend to the commission that a species of wildlife should not be hunted or fished. The commission may designate species of wildlife as protected.

(6) If the director determines that a species of wildlife is seriously threatened with extinction in the state of Washington, the director may request its designation as an endangered species. The commission may designate an endangered species.

(7) If the director determines that a species of the animal kingdom, not native to Washington, is dangerous to the environment or wildlife of the state, the director may request its designation as deleterious exotic wildlife. The commission may designate deleterious exotic wildlife.

(8) Upon recommendation by the director, the commission may develop a work plan to eradicate native aquatic species that threaten human health. Priority shall be given to water bodies that the department of health has classified as representing a threat to human health based on the presence of a native aquatic species.
