

RCW 77.55.081 Removal or control of aquatic noxious weeds—Rules—Pamphlet. (1) By June 30, 1997, the department shall develop rules for projects conducted solely for the removal or control of various aquatic noxious weeds other than spartina and purple loosestrife and for activities or hydraulic projects for controlling purple loosestrife not covered by RCW 77.55.051(2). Following the adoption of the rules, the department shall produce and distribute a pamphlet describing the methods of removing or controlling the aquatic noxious weeds that are approved under the rules. The pamphlet serves as the permit for any project that is conducted solely for the removal or control of such aquatic noxious weeds and that is conducted as described in the pamphlet. No further permit is required for such a project.

(2) From time to time as information becomes available, the department shall adopt similar rules for additional aquatic noxious weeds or additional activities for removing or controlling aquatic noxious weeds not governed by RCW 77.55.051 (1) and (2) and shall produce and distribute one or more pamphlets describing these methods of removal or control. Such a pamphlet serves as the permit for any project that is conducted solely for the removal or control of such aquatic noxious weeds and that is conducted as described in the pamphlet. No further permit is required for such a project.

(3) Nothing in this section shall prohibit the department from requiring a permit for those parts of hydraulic projects that are not specifically for the control or removal of spartina, purple loosestrife, or other aquatic noxious weeds. [2005 c 146 § 401; 1995 c 255 § 4. Formerly RCW 77.55.150, 75.20.108.]
