

**RCW 77.140.050 Fish and shellfish—Rules for identification and labeling.** To promote honesty and fair dealing for consumers and to protect public health and safety, the director, may adopt rules as necessary to:

(1) Establish and implement a reasonable definition and identification standard for species of fish and shellfish that are sold for human consumption;

(2) Provide procedures for enforcing this chapter's fish and shellfish labeling requirements and misbranding prohibitions. [2018 c 236 § 610; 2013 c 290 § 6; 1994 c 264 § 39; 1993 c 282 § 5. Formerly RCW 69.04.935.]

**Finding—1993 c 282:** See note following RCW 77.140.010.
