

RCW 84.25.040 Exemption—New construction of industrial/manufacturing facilities. (1) (a) The value of new construction of industrial/manufacturing facilities qualifying under this chapter is exempt from property taxation under this title, as provided in this section. The value of new construction of industrial/manufacturing facilities is exempt from taxation for properties for which an application for a certificate of tax exemption is submitted under this chapter before December 31, 2030. The value is exempt under this section for 10 successive years beginning January 1st of the year immediately following the calendar year of issuance of the certificate.

(b) The exemption provided in this section does not include the value of land or nonindustrial/manufacturing-related improvements not qualifying under this chapter.

(2) The exemption provided in this section is in addition to any other exemptions, deferrals, credits, grants, or other tax incentives provided by law.

(3) This chapter does not apply to state levies or increases in assessed valuation made by the assessor on nonqualifying portions of buildings and value of land nor to increases made by lawful order of a county board of equalization, the department of revenue, or a county, to a class of property throughout the county or specific area of the county to achieve the uniformity of assessment or appraisal required by law.

(4) This exemption does not apply to any county property taxes unless the governing body of the county adopts a resolution and notifies the governing authority of its intent to allow the property to be exempted from county property taxes.

(5) At the conclusion of the exemption period, the new industrial/manufacturing facilities cost must be considered as new construction for the purposes of chapter 84.55 RCW. [2021 c 218 § 2; 2015 1st sp.s. c 9 § 4.]
