

RCW 85.38.001 Actions subject to review by boundary review board. The establishment of a drainage district, drainage improvement district, or drainage or diking improvement district may be subject to potential review by a boundary review board under chapter 36.93 RCW. Annexations, consolidations, or transfers of territory by a drainage district, drainage improvement district, or drainage or diking improvement district may be subject to potential review by a boundary review board under chapter 36.93 RCW. [1989 c 84 § 64.]
