**Findings—Intent—Tax preference performance statement—2021 c 150; 2017 c 323; 2015 3rd sp.s. c 6 §§ 802-805:** "(1) (a) The

legislature finds that a robust maritime industry is crucial for the state's economic vitality. The legislature further finds that:

(i) The joint task force for economic resilience of maritime and manufacturing established policy goals to continue efforts towards developing a robust maritime industry in the state;

(ii) The maritime industry has a direct and indirect impact on jobs in the state;

(iii) Many of the cities and towns impacted by the maritime industry are often small with limited resources to encourage economic growth, heavily relying on the maritime industry for local jobs and revenues in the community;

(iv) Keeping Washington competitive with other cruising destinations is essential to continue to build a robust maritime economy in the state; and

(v) Tax incentives are an imperative component to improve the state's overall competitiveness in this sector.

(b) Therefore, the legislature intends to:

(i) Bolster the maritime industry in the state by incentivizing larger vessel owners to use Washington waters for recreational boating to increase economic activity and jobs in coastal communities and inland water regions of the state;

(ii) Achieve this objective in a fiscally responsible manner and require analysis of specific metrics to ensure valuable state resources are being used to accomplish the intended goal; and

(iii) Provide limited, short-term tax relief to entity-owned nonresident vessel owners that currently are not afforded the same benefits as other nonresident vessel owners.

(2) (a) This subsection is the tax preference performance statement for the entity-owned nonresident vessel tax preference established in section 803 of this act. The performance statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(b) The legislature categorizes this tax preference as one intended to accomplish the purposes indicated in RCW 82.32.808(2) (c) and one intended to improve the state's competitiveness with other nearby cruising destinations.

(c) It is the legislature's specific public policy objective to increase economic activity and jobs related to the maritime industry by providing a tax preference for large entity-owned nonresident vessels to increase the length of time these vessels cruise Washington waters in turn strengthening the maritime economy in the state.

(d) To measure the effectiveness of the tax preference provided in part VIII, chapter 6, Laws of 2015 3rd sp. sess. in achieving the public policy objective in (c) of this subsection, the joint legislative audit and review committee must provide the following in a published evaluation of this tax preference by December 31, 2028:

(i) A comparison of the gross and taxable revenue generated by businesses that sell or provide maintenance or repair of vessels, prior to and after the enactment of this tax preference;

(ii) Analysis of retail sales taxes collected from the restaurant and service industries in coastal and inlet coastal jurisdictions, for both counties and cities, for periods prior to and after the enactment of this tax preference;

(iii) Employment and wage trends for businesses described in (d) (i) and (ii) of this subsection, for periods prior to and after the enactment of this tax preference;

(iv) Descriptive statistics for the number of permits sold each year in addition to the following information:

(A) The cost for each permit by strata of vessel length;

(B) The jurisdiction of ownership for the nonresident vessel; and

(C) The amount of use tax that would have been due based on the estimated value of the vessel;

(v) A comparison of the number of registered entity-owned and individually owned vessels registered in Washington prior to and after the enactment of this tax preference; and

(vi) Data and analysis for Washington's main cruising destination competitors, specifically looking at tax preferences provided in those jurisdictions, vessel industry income data, and any additional relevant information to compare Washington's maritime climate with its competitors.

(e) The provision of RCW 82.32.808(5) does not apply to this tax preference." [2021 c 150 § 5; 2017 c 323 § 303; 2015 3rd sp.s. c 6 § 801.]
