

RCW 89.08.540 Agricultural conservation easements account. (1)

The agricultural conservation easements account is created in the custody of the state treasurer. All receipts from legislative appropriations, other sources as directed by the legislature, and gifts, grants, or endowments from public or private sources must be deposited into the account. Expenditures from the account may be used only for the purchase of easements in perpetuity or for the purchase or lease of easements for a fixed term under the agricultural conservation easements program. Only the state conservation commission, or the executive director of the commission on the commission's behalf, may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

(2) The commission is authorized to receive and expend gifts, grants, or endowments from public or private sources that are made available, in trust or otherwise, for the use and benefit of the agricultural conservation easements program. [2007 c 352 § 5; 2002 c 280 § 3.]
