

**RCW 90.48.430 Watershed restoration projects—Approval process—
Waiver of public review.** A permit, certification, or other approval required by the department for a watershed restoration project as defined in RCW 89.08.460 shall be processed in compliance with RCW 89.08.450 through 89.08.510. Public review of proposed watershed restoration projects may be shortened or waived by the department. [1995 c 378 § 15.]
