RCW 36.27.100 Statewide drug prosecution assistance program—Created. The legislature recognizes that, due to the magnitude or volume of offenses in a given area of the state, there is a recurring need for supplemental assistance in the prosecuting of drug and drug-related offenses that can be directed to the area of the state with the greatest need for short-term assistance. A statewide drug prosecution assistance program is created within the criminal justice training commission to assist county prosecuting attorneys in the prosecution of drug and drug-related offenses. The advisory committee shall regularly review the assignment of the special deputy prosecuting attorneys to ensure that the program's impact on the drug abuse problem is maximized.

During the time a special deputy prosecuting attorney is assigned to a county, the special deputy is under the direct supervision of the county prosecuting attorney for that county. The advisory committee may reassign a special deputy at any time: PROVIDED, That adequate notice must be given to the county prosecuting attorney if the special deputy is involved in a case scheduled for trial. [1989 c 271 s 238.]

RCW 36.27.130 Felony resentencing. (1) The prosecutor of a county in which an offender was sentenced for a felony offense may petition the sentencing court or the sentencing court's successor to resentence the offender if the original sentence no longer advances the interests of justice.

(2) The court may grant or deny a petition under this section. If the court grants a petition, the court shall resentence the defendant in the same manner as if the offender had not previously been sentenced, provided the new sentence, if any, is no greater than the initial sentence.

(3) The court may consider postconviction factors including, but not limited to, the inmate's disciplinary record and record of rehabilitation while incarcerated; evidence that reflects whether age, time served, and diminished physical condition, if any, have reduced the inmate's risk for future violence; and evidence that reflects changed circumstances since the inmate's original sentencing such that the inmate's continued incarceration no longer serves the interests of justice. Credit shall be given for time served.

(4) The prosecuting attorney shall make reasonable efforts to notify victims and survivors of victims of the petition for resentencing and the date of the resentencing hearing. The prosecuting attorney shall provide victims and survivors of victims access to available victim advocates and other related services. The court shall provide an opportunity for victims and survivors of victims of any crimes for which the offender has been convicted to present a statement personally or by representation. The prosecuting attorney and the court shall comply with the requirements set forth in chapter 7.69 RCW.

(5) A resentencing under this section shall not reopen the defendant's conviction to challenges that would otherwise be barred. [2020 c 203 s 2.]

Intent—2020 c 203: "It is the intent of the legislature to give prosecutors the discretion to petition the court to resentence an individual if the person's sentence no longer advances the interests of justice. The purpose of sentencing is to advance public safety through punishment, rehabilitation, and restorative justice. When a sentence includes incarceration, this purpose is best served by terms that are proportionate to the seriousness of the offense and provide uniformity with the sentences of offenders committing the same offense under similar circumstances. By providing a means to reevaluate a sentence after some time has passed, the legislature intends to provide the prosecutor and the court with another tool to ensure that these purposes are achieved." [2020 c 203 s 1.]
