RCW 41.07.010 Definitions. (1) As used in this chapter "state agency" means all offices, departments, agencies, institutions, boards, and commissions of state government including those headed by an elected official and including institutions of higher education.

(2) As used in this chapter "central personnel-payroll system" means an automated data processing system capable of keeping records and processing necessary transactions in the process of employing persons, changing their employment status, and paying employees of any or all state agencies. Such system shall include production of reports and documents required or authorized by state or federal agencies. [1975 1st ex.s. c 239 s 1.]

RCW 41.07.020 Administration, maintenance, and operation of system—Intent. The office of financial management is authorized to administer, maintain, and operate the central personnel-payroll system and to provide its services for any state agency designated by the director of financial management.

State agencies shall convert personnel and payroll processing to the central personnel-payroll system as soon as administratively and technically feasible as determined by the office of financial management and Washington technology solutions. It is the intent of the legislature to provide, through the central personnel-payroll system, for uniform reporting to the office of financial management and to the legislature regarding salaries and related costs, and to reduce present costs of manual procedures in personnel and payroll recordkeeping and reporting.
