

RCW 13.06.050 Conditions for receiving state funds—Criteria for distribution of funds. No county shall be entitled to receive any state funds provided by this chapter until its application and plan are approved, and unless and until the minimum standards prescribed by the department of children, youth, and families are complied with and then only on such terms as are set forth in this section. In addition, any county making application for state funds under this chapter that also operates a juvenile detention facility must have standards of operations in place that include: Intake and admissions, medical and health care, communication, correspondence, visiting and telephone use, security and control, sanitation and hygiene, juvenile rights, rules and discipline, property, juvenile records, safety and emergency procedures, programming, release and transfer, training and staff development, and food service.

(1) The distribution of funds to a county or a group of counties shall be based on criteria including but not limited to the county's per capita income, regional or county at-risk populations, juvenile crime or arrest rates, rates of poverty, size of racial minority populations, existing programs, and the effectiveness and efficiency of consolidating local programs towards reducing commitments to state correctional facilities for offenders whose standard range disposition does not include commitment of the offender to the department and reducing reliance on other traditional departmental services.

(2) The secretary of children, youth, and families will reimburse a county upon presentation and approval of a valid claim pursuant to the provisions of this chapter based on actual performance in meeting the terms and conditions of the approved plan and contract. Funds received by participating counties under this chapter shall not be used to replace local funds for existing programs.
