

RCW 15.100.030 Washington forest products commission—Created—Membership—Quorum—Terms. (1) (a) There is created a commodity commission to be known and designated as the Washington forest products commission. The commission is composed of nine voting members. Of the members, six shall be from western Washington, and three shall be from eastern Washington. After the initial election of commission members, however, if a position cannot be filled by a member from eastern Washington within sixty days from the date on which nominations may first be received because of a lack of candidates, the position may be filled by a member from western Washington. Under no circumstances will there be less than two board members from eastern Washington. If a position was filled by a member from western Washington because of a lack of candidates from eastern Washington, and districts are not used for the nomination and election of members, then a person from eastern Washington must fill the next available vacancy or open position at the next election to bring the number of representatives from eastern Washington up to three members. All members shall be elected by the entire group of producers unless the commission creates districts for the members as authorized in RCW 15.100.050. The position of the western Washington member who is elected as an at large member shall be filled by a member from eastern Washington at the expiration of the term of the at large member. If districts are not used for the nomination and election of members, the commission shall strive to achieve representation on the commission from the different geographic regions of the state.

Each member must also derive a substantial amount of his or her income from the production of forest products. The qualifications set forth in this section apply throughout each member's term of office.

(3) No more than one member of the commission may be employed by, or connected in a proprietary capacity with, the same corporation, firm, partnership, trust, association, or business organization.

(4) Five voting members of the commission constitute a quorum for the transaction of all business and the carrying out of the duties of the commission.
