***Reviser's note:** RCW 18.130.020 was amended by 2018 c 300 s 3, changing subsection (12)(b) to subsection (13)(b).

Finding—Intent—2017 c 320: "The legislature finds that Washington law should allow dentists to determine, based on their individual circumstances, which dental practice model would allow them to best serve the needs of their patients. Dentists should have the option to contract for administrative support services and dentists should also be able to lease real or personal property in a manner that meets their individual business needs. The legislature intends that these contract decisions must not interfere with the independent

clinical judgment of the dentist entering the contract." [2017 c 320 s
