

RCW 18.35A.050 Compact privilege to practice telehealth. Member states shall recognize the right of an audiologist or speech-language pathologist, licensed by a home state in accordance with RCW 18.35A.030 and under rules promulgated by the commission, to practice audiology or speech-language pathology in any member state via telehealth under a privilege to practice as provided in the compact and rules promulgated by the commission. A licensee providing audiology or speech-language pathology services in a remote state under the compact privilege shall function within the laws and regulations of the state where the patient, client, or student is located. [2023 c 53 s 5.]
