(b) The member board within the state selected as the state of principal license shall, in the course of verifying eligibility, perform a criminal background check of an applicant, including the use of the results of fingerprint or other biometric data checks compliant with the requirements of the federal bureau of investigation, with the exception of federal employees who have suitability determination in accordance [with] United States 5 C.F.R. § 731.202.

(5) An expedited license shall be valid for a period consistent with the licensure period in the member state and in the same manner as required for other physicians holding a full and unrestricted license within the member state.

(6) An expedited license obtained through the compact shall be terminated if a physician fails to maintain a license in the state of principal licensure for a nondisciplinary reason, without redesignation of a new state of principal licensure.

(7) The interstate commission is authorized to develop rules regarding the application process, including payment of any applicable fees, and the issuance of an expedited license. [2017 c 195 s 5.]
