The cost of any public work, improvement, or repair for the purposes of this section shall be the aggregate of all amounts to be paid for labor, material, and equipment on one continuous or interrelated project where work is to be performed simultaneously or in close sequence. The bids shall be in writing and shall be opened and read in public on the date and in the place named in the notice and after being opened shall be filed for public inspection.

(2) Every purchase of furniture, equipment, or supplies, except books, the cost of which is estimated to be in excess of \$40,000, shall be on a competitive basis. (4) The board may make improvements or repairs to the property of the district through a department within the district without following the public bidding process provided in subsection (1) of this section when the total of such improvements or repairs does not exceed the sum of \$75,000. (6) In the event of any emergency when the public interest or property of the district would suffer material injury or damage by delay, upon resolution of the board declaring the existence of such an emergency and reciting the facts constituting the same, the board may waive the requirements of this section with reference to any purchase or contract: PROVIDED, That an "emergency," for the purposes of this section, means a condition likely to result in immediate physical injury to persons or to property of the school district in the absence of prompt remedial action.
