

RCW 41.50.165 Establishing, restoring service credit—

Conditions. (1) Except for those affected by subsection (4) of this section, a member of a retirement system specified by RCW 41.50.030 or, one previously established by the state but closed to new membership, may, as provided in each retirement system:

(a) Establish allowable membership service not previously credited;

(b) Restore all or a part of that previously credited membership service represented by withdrawn contributions; or

(c) Restore service credit represented by a lump sum payment in lieu of benefits.

(2) Persons who previously have failed to:

(a) Establish service credit for service previously earned; or

(b) Reestablish service credit by the restoration of withdrawn contributions or repayment of a lump sum payment in lieu of a benefit, may now establish or reestablish such service credit by paying the actuarial value of the resulting increase in their benefit in a manner defined by the department.

(3) Any establishment of service credit for service previously rendered, restoration of service credit destroyed, or repayment of a lump sum received in lieu of benefit must be completed prior to retirement.

(4) Service credit is established for or restored to the period in which the service credit is earned. [1994 c 197 s 2.]

Intent—1994 c 197: "(1) This act removes the time limitations within the state's retirement systems for:

(a) The restoration of service credit represented by employee contributions withdrawn by a member of a state's retirement systems; or

(b) The crediting of certain service that, under the provisions of the system, was not creditable at the time it was performed, such as a probationary period or interrupted military service.

(2) This act expands the current procedures for establishing service credit previously earned, restoring withdrawn contributions, or repaying lump sums received in lieu of a benefit. In so doing, it allows the member of one of the state's retirement systems to obtain additional service credit by paying the value of this added benefit that was previously unavailable." [1994 c 197 s 1.]

Severability—1994 c 197: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1994 c 197 s 37.]

Effective date—1994 c 197: "This act shall take effect January 1, 1995." [1994 c 197 s 38.]
