

RCW 43.21C.038 Application of RCW 43.21C.030(2)(c) to school closures. Nothing in RCW 43.21C.030(2)(c) shall be construed to require the preparation of an environmental impact statement or the making of a threshold determination for any decision or any action commenced subsequent to September 1, 1982, pertaining to a plan, program, or decision for the closure of a school or schools or for the school closure portion of any broader policy, plan or program by a school district board of directors. [1983 c 109 s 1.]
