

RCW 43.60A.155 Cooperation with the salmon recovery funding board regarding project work. The salmon recovery funding board shall cooperate with the department of veterans affairs to inform salmon habitat project sponsors of the availability of veterans conservation corps enrollees to perform project work. From applications submitted, the board and the department shall identify projects that propose work suitable for corps enrollees and located near where enrollees are based or may be created. The department may provide the project applicants with information regarding the benefits of employing a veterans conservation corps enrollee in the project, as well as training to increase the success of hiring a veteran.
