

RCW 43.99G.181 Appropriation of bond proceeds—Use for wastewater and clean water improvement projects. (1) It is the intent of the legislature that the proceeds of the new bonds authorized in RCW 43.99G.180 will be appropriated in the 2005-2007 biennium.

(2) The bonds issued under RCW 43.99G.180 are intended to be used for wastewater and clean water improvement projects at state parks as part of the rehabilitation of Puget Sound. State parks intended to be improved by the bond proceeds authorized in RCW 43.99G.180 include, but are not limited to, the following:

(a) Approximately one hundred twenty-five thousand dollars for Sequim Bay state park;

(b) Approximately seven hundred fifty thousand dollars for Fort Flagler state park;

(c) Approximately seven hundred fifty thousand dollars for Larabee state park;

(d) Approximately three hundred thousand dollars for Fort Worden state park;

(e) Approximately three hundred thousand dollars for Camano Island state park;

(f) Approximately three hundred fifty thousand dollars for Deception Pass state park;

(g) Approximately two hundred fifty thousand dollars for Possession Point;

(h) Approximately one million one hundred thousand dollars for Illahee state park;

(i) Approximately one million two hundred thousand dollars for Kopachuck state park;

(j) Approximately seven hundred thousand dollars for Penrose Point state park;

(k) Approximately two hundred fifty thousand dollars for Blake Island state park; and

(l) Approximately one million three hundred thousand dollars for Fay Bainbridge state park. [2006 c 167 s 402.]
