Findings—Intent—2024 c 223: See note following RCW 43.330.070.

Findings—Intent—2023 c 311: "The legislature finds that access to economic development assistance from government and philanthropic sources typically requires careful and skilled writing of grant applications. The legislature finds that trained and skilled grant writers are scarce, and particularly difficult to find in distressed areas with higher rates of unemployment that need economic development assistance. Therefore, the legislature intends to provide the department of commerce with the authority and resources necessary to ensure each county associate development organization can recruit and retain a grant writer."
