

**RCW 46.18.140 Nonreviewed special license plates.** (1) A special license plate series created by the legislature after January 1, 2011, that has not been reviewed and approved by the department is subject to the following requirements:

(a) The organization sponsoring the license plate series shall, within thirty days of enactment of the legislation creating the special license plate series, submit prepayment of all start-up costs associated with the creation and implementation of the special license plate in an amount determined by the department. The prepayment will be credited to the motor vehicle fund created in RCW 46.68.070. The creation and implementation of the special license plate series may not begin until payment is received by the department.

(b) If the sponsoring organization is not able to meet the prepayment requirements in (a) of this subsection and can demonstrate this fact to the satisfaction of the department, the revenues generated from the sale of the special license plates must be deposited in the motor vehicle fund created in RCW 46.68.070 until the department determines that the state's portion of the implementation costs have been fully reimbursed. When it has determined that the state has been fully reimbursed, the department must notify the treasurer to commence distribution of the revenue according to statutory provisions.

(c) The sponsoring organization must provide a proposed special license plate design to the department within thirty days of enactment of the legislation creating the special license plate series.

(2) The state must be reimbursed for its portion of the implementation costs within two years from the date the new special license plate series goes on sale to the public. If the reimbursement does not occur within the two-year time frame, the special license plate series must be placed in probationary status for a period of one year from that date. If the state is still not fully reimbursed for its implementation costs after the one-year probation, the special license plate series must be discontinued immediately. Those special license plates issued before discontinuation are valid until replaced.

(3) If the sponsoring organization ceases to exist or the purpose of the special license plate series ceases to exist, revenues generated from the sale of the special license plates must be deposited into the motor vehicle fund created in RCW 46.68.070.

(4) A sponsoring organization may not seek to redesign its special license plate series until the entire existing inventory is sold or purchased by the organization itself. All costs for the redesign of a special license plate series must be paid by the sponsoring organization. [2014 c 80 s 6. Prior: 2010 1st sp.s. c 7 s 97; 2010 c 161 s 609; 2003 c 196 s 304.
