

RCW 46.93.210 Reporting of warranties for off-road vehicles and snowmobiles sold by out-of-state dealers—Department notice to buyers—Apportionment of fines.

(1) By the first business day in February of each year, beginning in 2018, motorsports vehicle manufacturers must report to the department of licensing a listing of all motorsports vehicle warranties for off-road vehicles under chapter 46.09 RCW and snowmobiles under chapter 46.10 RCW sold to Washington residents by out-of-state motorsports vehicle dealers in the previous calendar year. The report must be transmitted such that the department receives the listing no later than the first business day in February. Failure to report a complete listing as required under this subsection results in an administrative fine of one hundred dollars for each day after the first business day in February that the department has not received the report.

(2) The department of licensing shall examine the listing reported in subsection (1) of this section to verify whether the vehicles are properly registered in the state and shall transmit the results of its analysis to the department of revenue. Beginning in 2018, and to the extent that it has received the listing required under subsection (1) of this section, the department and the department of revenue shall jointly notify by first-class mail from the United States postal service by the end of February of each year, the purchasers of the warranties of the off-road vehicles and snowmobiles that are not properly registered in the state of the owner's obligations under state law regarding vehicle titling, registration, and use tax payment, as well as of the penalties for failure to comply with the law.

(3) Fines received under this section must be paid into the state treasury and credited to the nonhighway and off-road vehicle activities program account under RCW 46.09.510 and to the snowmobile account under RCW 46.68.350. The state treasurer must apportion the fines between the accounts according to the pro rata share of the number of off-road vehicle and snowmobile registrations in the previous calendar year. The department must provide the state treasurer with the information needed to determine the apportionment. [2021 c 216 s 5; 2017 c 218 s 4.]
