

RCW 48.43.320 Authorized control level event—Commissioner's options. (1) "Authorized control level event" means any of the following events:

(a) The filing of an RBC report by the carrier which indicates that the carrier's total adjusted capital is greater than or equal to its mandatory control level RBC but less than its authorized control level RBC;

(b) The notification by the commissioner to the carrier of an adjusted RBC report that indicates the event in (a) of this subsection, provided the carrier does not challenge the adjusted RBC report under RCW 48.43.330;

(c) If, under RCW 48.43.330, the carrier challenges an adjusted RBC report that indicates the event in (a) of this subsection, notification by the commissioner to the carrier that the commissioner has, after a hearing, rejected the carrier's challenge;

(d) The failure of the carrier to respond, in a manner satisfactory to the commissioner, to a corrective order, provided the carrier has not challenged the corrective order under RCW 48.43.330; or

(e) If the carrier has challenged a corrective order under RCW 48.43.330 and the commissioner has, after a hearing, rejected the challenge or modified the corrective order, the failure of the carrier to respond, in a manner satisfactory to the commissioner, to the corrective order subsequent to rejection or modification by the commissioner.

(2) In the event of an authorized control level event with respect to a carrier, the commissioner shall:

(a) Take those actions required under RCW 48.43.315 regarding a carrier with respect to which a regulatory action level event has occurred; or

(b) If the commissioner deems it to be in the best interests of either the policyholders or subscribers, or both, and creditors of the carrier and of the public, take those actions necessary to cause the carrier to be placed under regulatory control under chapter 48.31 RCW. In the event the commissioner takes such actions, the authorized control level event is sufficient grounds for the commissioner to take action under chapter 48.31 RCW, and the commissioner shall have the rights, powers, and duties with respect to the carrier as are set forth in chapter 48.31 RCW. In the event the commissioner takes actions under this subsection (2)(b) pursuant to an adjusted RBC report, the carrier is entitled to those protections afforded to carriers under the provisions of RCW 48.31.121 pertaining to summary proceedings.
