

RCW 50.16.100 COVID-19 unemployment account. (1) The COVID-19 unemployment account is created in the custody of the state treasurer. Revenues to the account shall consist of appropriations and transfers by the legislature and all other funding directed for deposit into the account. Only the commissioner of the employment security department or the commissioner's designee may authorize expenditures from the account. Expenditures from the account may be used only for reimbursing the unemployment trust fund account for unemployment benefits paid to the approved employees of employers approved for such reimbursement pursuant to *RCW 50.29.100. The account is subject to the allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

(2) Any federal funding or relief for novel coronavirus that could be used for the purposes of *RCW 50.29.100 must be used first before spending from the account. Additionally, if the employment security department subsequently receives reimbursements from federal sources for amounts spent from the account, the department must remit the federal funding to the state treasurer for reimbursement to the budget stabilization account. If federal law or rules would prevent such remittance, the department must notify the office of financial management and the fiscal committees of the legislature within thirty days of receipt of the reimbursement.

(3) By July 1, 2021, the commissioner must certify to the state treasurer the amount of any unobligated moneys in the COVID-19 unemployment account that are attributable to the budget stabilization account appropriation in section 3, chapter 7, Laws of 2020, and the treasurer must transfer those moneys back to the budget stabilization account.
