

**RCW 52.26.150 Levy of taxes—To be made by county or counties where authority is located.** At the time of making general tax levies in each year, the county legislative authority or authorities of the county or counties in which a regional fire protection service authority is located shall make the required levies for authority purposes against the real and personal property in the authority in accordance with the equalized valuations of the property for general tax purposes and as a part of the general taxes. The tax levies are part of the general tax roll and must be collected as a part of the general taxes against the property in the authority. [2004 c 129 s 16.]
