

RCW 64.36.250 Appointment of director to receive service—

Requirements for effective service. Every applicant for registration under this chapter shall file with the director, in a form the director prescribes by rule, an irrevocable consent appointing the director to be the attorney of the applicant to receive service of any lawful process in any civil suit, action, or proceeding against the applicant or the applicant's successor, executor, or administrator which arises under this chapter or any rule or order issued under this chapter after the consent has been filed, with the same force and validity as if served personally on the person filing the consent. Service may be made by leaving a copy of the process in the office of the director, but it is not effective unless: (1) The plaintiff, who may be the director in a suit, action, or proceeding instituted by the director, forthwith sends notice of the service and a copy of the process by certified mail to the defendant or respondent at the last address of the respondent or defendant on file with the director; and (2) the plaintiff's affidavit of compliance with this section is filed in the case on or before the return day of the process, if any, or within such further time as the court allows.
