

RCW 70A.130.040 Establishment of water quality standards by local health department in large counties. Each local health department serving a county with a population of one hundred twenty-five thousand or more may establish water quality standards for its jurisdiction more stringent than standards established by the state board of health. Each local health department establishing such standards shall base the standards on the best available scientific information. [1991 c 363 s 145; 1984 c 187 s 3. Formerly RCW 70.142.040.]

Purpose—Captions not law—1991 c 363: See notes following RCW 2.32.180.
