

RCW 70A.388.100 Records. (1) The agency shall require each person who possesses or uses a source of ionizing radiation to maintain necessary records relating to its receipt, use, storage, transfer, or disposal and such other records as the agency may require which will permit the determination of the extent of occupational and public exposure from the radiation source. Copies of these records shall be submitted to the agency on request. These requirements are subject to such exemptions as may be provided by rules.

(2) The agency may by rule and regulation establish standards requiring that personnel monitoring be provided for any employee potentially exposed to ionizing radiation and may provide for the reporting to any employee of his or her radiation exposure record.
