

RCW 74.42.340 Administrative support—Purchasing—Inventory control. (1) The facility shall provide adequate administrative support to efficiently meet the needs of residents and facilitate attainment of the facility's goals and objectives.

(2) The facility shall:

(a) Document the purchasing process;

(b) Adequately operate the inventory control system and stockroom;

(c) Have appropriate storage facilities for all supplies and surplus equipment; and

(d) Train and assist personnel to do purchase, supply, and property control functions. [1980 c 184 s 11; 1979 ex.s. c 211 s 34.]
