

RCW 77.12.031 Llamas and alpacas. The authority of the department does not extend to preventing, controlling, or suppressing diseases in llamas or alpacas or to controlling the movement or sale of llamas or alpacas.

This section shall not be construed as granting or denying authority to the department to prevent, control, or suppress diseases in any animals other than llamas and alpacas. [1994 c 264 s 54; 1993 c 80 s 4.]
