

RCW 77.32.050 Recreational and commercial licenses, permits, tags, stamps, and raffle tickets issued by authorized officials—Rules—Fees. (1) All recreational and commercial licenses, permits, tags, stamps, and raffle tickets shall be issued under the authority of the commission. The commission shall adopt rules for the issuance of licenses, permits, tags, stamps, and raffle tickets, and for the collection, payment, and handling of license fees, including terms and conditions to govern dealers, and dealer fees. A transaction fee on commercial and recreational documents issued through an automated licensing system may be set by the commission and collected from licensees. The department may authorize all or part of such fee to be paid directly to a contractor providing automated licensing system services. The department and dealers shall collect and retain dealer fees of at least two dollars for purchase of a standard hunting or fishing recreational license document or commercial license document, except that the commission may set a lower dealer fee for issuance of tags or when a licensee buys a license that involves a stamp or display card format rather than a standard department licensing document form. Dealer fees must be uniform throughout the state.

(2) The application fee is waived for all commercial license documents that are issued through the automated licensing system. Finding—1999 c 243: "The legislature finds that recreational license dealers are private businesses that provide the service of license sales in every part of the state. The dealers who sell recreational fishing and hunting licenses for the department of fish and wildlife perform a valuable public service function for those members of the public who purchase licenses as well as a revenue generating function for the department. The modernized fishing and hunting license format will require additional investments by license dealers in employee training and public education." [1999 c 243 s 1.]
