

RCW 77.85.040 Independent science panel on salmon recovery—

Purpose. (1) The governor may request the Washington academy of sciences, when organized pursuant to chapter 305, Laws of 2005, to impanel an independent science panel on salmon recovery to respond to requests for review pursuant to subsection (2) of this section. The panel shall reflect expertise in habitat requirements of salmon, protection and restoration of salmon populations, artificial propagation of salmon, hydrology, or geomorphology.

Based upon available funding, the governor's salmon recovery office may contract for services of the independent science panel for compensation under *chapter 39.29 RCW.

(2) The independent science panel shall be governed by guidelines and practices governing the activities of the Washington academy of sciences. The purpose of the independent science panel is to help ensure that sound science is used in salmon recovery efforts. The governor's salmon recovery office may, during the time it is constituted, request that the panel review, investigate, and provide its findings on scientific questions relating to the state's salmon recovery efforts. The science panel does not have the authority to review individual projects or habitat project lists developed under RCW 77.85.050 or 77.85.060 or to make policy decisions. The panel shall submit its findings and recommendations under this subsection to the legislature and the governor.
