

RCW 77.125.050 Activities associated with the use of marine net pens for nonnative marine finfish aquaculture. (1) The department may authorize or permit activities associated with the use of marine net pens for nonnative marine finfish aquaculture only if these activities are performed under a lease of state-owned aquatic lands in effect on June 7, 2018. The department may not authorize or permit any of these activities or operations after the expiration date of the relevant lease of state-owned aquatic lands in effect on June 7, 2018.

(2) For purposes of this section, "state-owned aquatic lands" has the same meaning as defined in RCW 79.105.060. [2018 c 179 s 3.]
