

RCW 80.28.060 Tariff changes—Statutory notice—Exception—Waiver of provisions during state of emergency. (1) Unless the commission otherwise orders, no change may be made in any rate or charge or in any form of contract or agreement or in any rule or regulation relating to any rate, charge or service, or in any general privilege or facility which shall have been filed and published by a gas company, electrical company, wastewater company, or water company in compliance with the requirements of RCW 80.28.050 except after thirty days' notice to the commission and publication for thirty days, which notice must plainly state the changes proposed to be made in the schedule then in force and the time when the change will go into effect and all proposed changes must be shown by printing, filing and publishing new schedules, or shall be plainly indicated upon the schedules in force at the time and kept open to public inspection. Proposed changes may be suspended by the commission within thirty days or before the stated effective date of the proposed change, whichever is later. The commission, for good cause shown, may allow changes without requiring the thirty days' notice by duly filing, in such manner as it may direct, an order specifying the changes so to be made and the time when it takes effect. All such changes must be immediately indicated upon its schedules by the company affected. When any change is made in any rate or charge, form of contract or agreement, or any rule or regulation relating to any rate or charge or service, or in any general privilege or facility, the effect of which is to increase any rate or charge, then in existence, attention must be directed on the copy filed with the commission to such increase by some character immediately preceding or following the item in such schedule, such character to be in form as designated by the commission.

(2) During a state of emergency declared under RCW 43.06.010(12), the governor may waive or suspend the operation or enforcement of this section or any portion of this section or under any administrative rule, and issue any orders to facilitate the operation of state or local government or to promote and secure the safety and protection of the civilian population.
